## EDUCATION

---

### California State University East Bay, B.S Computer Science

2023 — present

- Google Developer Student Club
- MESA (Mathematics, Engineering, Science, Achievement)

### Diablo Valley College, A.A. Computer Science

2021 — 2023

- Google Developer Student Club
- MESA

## SKILLS

---

JavaScript, HTML, CSS, jQuery, C++, Python, Git, GitHub, Figma

## EXPERIENCE

---

### Frontend Developer, Google Developer Student Club

Mar 2023 — May 2023

Co-developed the club chapter's first website - *JavaScript, HTML, CSS*

- Utilized JavaScript event handlers to manipulate the website's DOM
- Implemented a mobile-first design with HTML and CSS
- Maintained version control of the website using Git and GitHub
- Estimated project scope and participated in design discussions and code reviews

## PERSONAL PROJECTS

---

### Frontend Developer, Viking Hackathon

*JavaScript, HTML, CSS*

- Provided technical support to my teammates by teaching them how to use software tools like Figma and GitHub
- Implemented a frontend design using JavaScript and HTML/CSS within a two-day time frame
- Practiced effective communication as I conveyed my ideas to my backend developer and project manager

### World of Warcraft PVP Website

*API Development, JavaScript, jQuery, HTML, CSS*

- Enabled a fetch of Blizzard Games' API using JavaScript
- Implemented a jQuery ajax function that auto-generates my API key
- Accessed various API endpoints by searching through JSON files for data
- Showed initiative to work with other developers by discussing implementation ideas on Blizzard's API discord

### Bank Management System

*C++*

- Implemented class objects and data structures to maintain an organized flow of data in the program
- Enabled input / output file streams within the program to keep a record of user data

## VOLUNTEER EXPERIENCE

---

### Catechist, Queen of All Saints Catholic Church

Aug 2022 — present

- Prepares and delivers weekly Bible lessons to small groups
- Implements creative learning resources, educational plays, and skits
- Attends weekly meeting with management staff and teachers to address
